

USAB

An Organization of Current Students

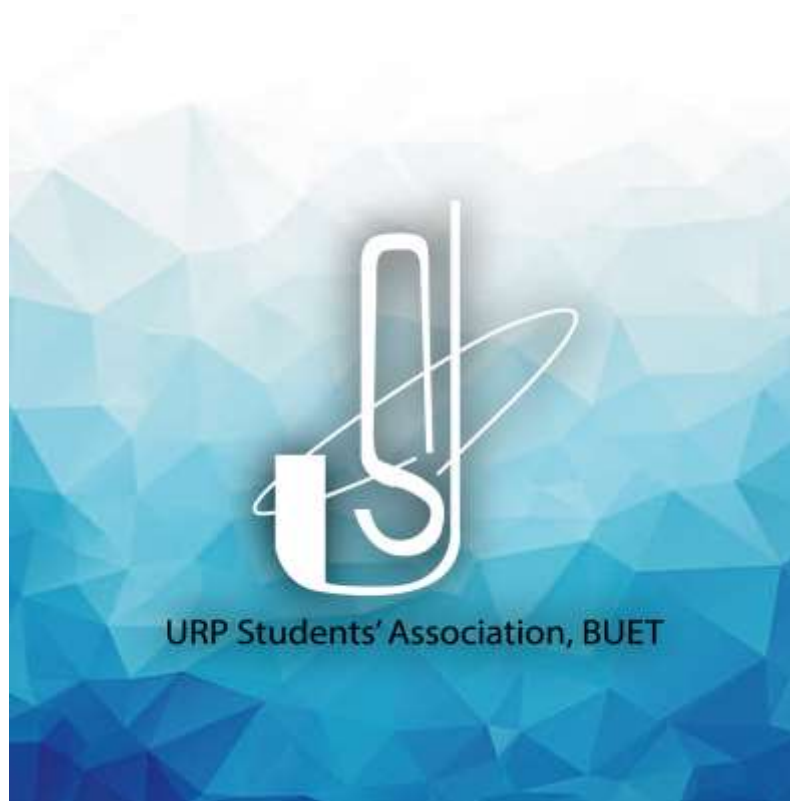

Department of Urban and Regional Planning
Bangladesh University of Engineering and Technology (BUET)

USAB

Urban and Regional Planning Students' Association of BUET (USAB) is an organization of the current students studying in the Department of Urban and Regional Planning of Bangladesh University of Engineering and Technology (BUET). This organization added a new dimension to this department, which started showing its footprint officially on 28 January 2009. The key objective of this association is to offer a platform to enhance the potentials of the students. As per the constitution of USAB, the president of the organization is the Head of the Department of URP, BUET and the faculty members are in the advisory panel. The executive committee of USAB consists of president, moderator, and 10 students from the most senior two batches. Guidance of the teachers, inspiration of the alumni, teamwork as well as coordination among the students help USAB to carry out a lot of successful events like organization of planning week, pitha utshab, URP Talks, picnic, and the publication of the "Nagar Shoilee".
